### What's Coming in *The Flyer*?

Meet the Member: Bill Day; Mat Thompson's Layout Move, Part 3; Workbench Options; Rusting Techniques; Make a Meadow & much, much more.

**Potomac Division Elections:** Step up and run for Assistant Superintendent or Paymaster. The deadline for informing the Nominations Committee that you're a candidate is February 3rd. Send a picture, a short biography not to exceed 200 words, and a statement about why you are running for a position. Send to: Mark Gionet [mark.c.gionet@outlook.com](mailto:mark.c.gionet@outlook.com); Paul Hutchins [ff3hutch@aol.com](mailto:ff3hutch@aol.com); Bill Demas [wsdemas@verizon.net](mailto:wsdemas@verizon.net); Brian Sheron [bwsheron@me.com](mailto:bwsheron@me.com) E-voting in April.

***We can't succeed without volunteers so please step up!*** Thanks to Jerry Stanley, Ken Wilson and the dozen other volunteers who manned our booth at the Greenberg show in December, handing out NMRA literature and signing up new members! Great job!

**Kudos to John Sethian** whose great PRR layout is on the cover of the January Railroad Model Craftsman with an article inside. AP Author Points!

### The Flyer Challenge: Train Stations

We're calling for your photos and descriptions of your favorite models of train stations, passenger, freight or combos! **Due by January 10th** and sent to: [potomac-flyer@potomac-nmra.org](mailto:potomac-flyer@potomac-nmra.org)

Don't miss the chance to showcase your model!
