

# JANUARY 2026 NMRA

## POTOMAC DIVISION NEWSBRIEF

### WHAT'S COMING UP?

Jan. 18th, 3pm Virtual: "A History of Narrow Gauge Railroads - Part 4 - Clinician: Ed Koehler

Jan. 20th, 7:30 PM Virtual: Potomac Board Meeting

**Feb. 7th: Deadline for candidates to notify the Elections Committee of their intent to run for Assistant Superintendent or Paymaster.**

### WHAT'S COMING IN THE FEBRUARY-MARCH POTOMAC FLYER?

A.I. Track planning, sign making, and 3D figure creation; Meet the Member: Bob Sprague; Railroads and Rivers; Scale Track to Add Realism; and Building a Small Lineside Freight Station. Plus a look back at our 2025 Challenge 1st Place Winners.

### WANT TO BE A BETTER MODELER?

The Potomac Division will be producing a series of in-person and virtual clinics during 2026 on the Achievement Program and all its categories. You won't want to miss these sessions and learn how to improve your modeling skills.

### THE A.I. ISSUE OF THE FLYER

Well, not all of the February-March issue, but there will be a number of items, including a surprise cover. You'll have to wait and see some familiar faces in a new light (like Ernie Little, MMR, **left**) and learn how A.I. might be useful in model railroading.

### THE POTOMAC FLYER'S NEXT CHALLENGE!

For our February-March issue, we're looking for your favorite decal, dry transfer or printed sign. You have until **January 5th** to send your photos and a brief description to [Potomac-Flyer@potomac-nmra.org](mailto:Potomac-Flyer@potomac-nmra.org)
