Hobby Barn Thursdays

Jerry Stanley invites members to work on their projects with others on Thursday evenings at his Hobby Barn. No strings, no fees. He says four now meet weekly and "we welcome anyone to join us." If interested, email jerrymstanley33@gmail.com

The *Potomac Flyer* Caboose Challenge!

One sub-group of rolling stock we've never featured on its own in our *Flyer* challenges is the caboose. You have until **July 5th** to send your photos and a brief description of your favorite to Potomac-Flyer@potomac-nmra.org.

FYI, for our October-November issue, we'll be looking for **flatcars (with or without loads)**. This is the Popular Vote Display & Contest model for our November 1st Battlefield Baptist meet. Get to work!
