"Broadway Limited's DCC
Aids" by Mat Thompson; Meet
the Member: Marty McGuirk;
Martin Brechbiel builds a
Pulpwood Car; and more!

The Potomac Flyer's Next Challenge!

For our October-November issue, we're looking for flatcars (with or without loads). This is the Popular Vote Contest model for our November 1st Battlefield Baptist meet. You have until September 5th to send your photos and a brief description of your favorite to Potomac-Flyer@potomac-nmra.org

(If you're sending in a Challenge flatcar for the Flyer that you're also entering in the Popular Vote Contest, let the editor know if you want it to be an **ANONYMOUS** submission.

Nov. 1st Battlefield Plans Developing

Clinicians are being arranged for this Joint Meet with James River, including another round-robin modeling skills session. Sales table spaces will also be available. Contact the Clerk to reserve table space.

Layout Open House Hosts Needed

In Maryland for late September and Virginia in connection with the Battlefield Meet. Contact Ken Wilson or Jerry Stanley...soon!
