

8. Richard Steinmann's Dunmore Caboose

This is a model of Erie Lackawanna Dunmore Caboose C185. It is constructed from a JLL Models resin kit. The prototype was built for the Erie Railroad in 1945 or 1946 at the Dunmore Shops. It is painted Caboose Red in the Erie Lackawanna “paint dip” paint scheme with decals from Prime Mover Decals. *Richard Steinmann, MMR*
