Saturday, August 5, 2023

On Saturday, August 5, 2023, as part of the Potomac Division's meet in Waldorf, Maryland, Paul Hutchins sponsored an open house of his P & D Railroad. Paul's freelanced, HO scale layout is a semi dog bone layout with an added yard and turntable and is housed in a detached garage next to his home.

In the photo Paul is shown discussing his modeling with Ed Thiedeman.
