

## 4. Pete LaGuardia's Drover Caboose

This Drover Caboose was kitbashed from American Model Builders kit P/N 883. I installed a Soundtraxx Tsunami Sound car decoder (Cattle Sound). I also added Tomar Adlake Marker LED Lights R-G-G P/N H-807. The Caboose was painted with Rust-Oleum Rusty Metal Primer P/N 7769830. **Pete LaGuardia, MMR**
